Dear Dr. Davies,

Congratulations on such an honor and exciting opportunity! I sincerely hope Sweden treats you well this semester! When Jill Velez was not sure of where you would be this semester I briefly discussed the matter with Dr. Clarke. He advised me to consult with you before making any decisions about my colloquium/thesis. If necessary I am able to take a semester of leave until you return from Sweden. I am still keen on my topic on the Temple of Apollo Sosianus and would like to finish the program with that in mind.

All best,
Amanda

Dear Amanda,

Good to hear from you. In fact I'm not in Austin; I'm a visiting professor in Lund, Sweden, until June.

All best,

Dear Dr. Davies and Dr. Clarke,

I hope you well and had a restful weekend. I am writing to both of you to seek advising. A decision must be made as to whether I am going to register for thesis credits or apply for a leave of absence. It is my hope to finish my colloquium and thesis on the Temple of Apollo Sosianus, however, with Dr. Davies away this semester I am not sure how best to approach this situation. If both of you agree, I am happy to register and continue work under supervision of Dr. Clarke and communicate via email with Dr. Davies. However, I respect both of your opinions, and if you decide it is best that I apply for a leave of absence I have the form prepared and it simply needs a signature fro Dr. Clarke.

The Graduate School has advised me to turn in the leave of absence form no later than Friday of this week if it is necessary. Thank you both for your time.

All best,
Amanda Valenzuela
